## Editorial – Volume 1 – nº 01- 2023

It is our great pleasure to introduce the inaugural issue of the **Global Health Law Journal-GHLJ**. Through an important initiative of the Master's Program in Health Law of the Santa Cecilia University, in Santos, São Paulo, Brazil, the Journal seeks to ensure an international publication spot among the world's leading academic forums concerned with Health Law.

The **Global Health Law Journal-GHLJ** is a biannual production, an open access, peer reviewed, and the outcome of a collaborative, widespread, and international effort.

The **GHLJ** strives to offer an opportunity for interdisciplinary discussion on topics in health law, international health law, comparative health law, health policy, health cases, medical, and biomedical law.

The Journal targets a broad and diverse audience of academicians, professionals, and students in Law, Medicine, Biomedicine, as well as policy makers, law operators, and legislators in health care.

Articles must be related to health law, international health law, comparative health law, health policy, health cases, medical and biomedical law, Medicine, and Biomedicine.

**Global Health Law Journal**

Articles can be submitted in English, Spanish, French, Italian or Portuguese.

Submissions to the Global Health Law Journal are peer-reviewed by our distinguished Editorial Board and reviewers, consisting of internationally recognized experts.

In short, the Global Health Law Journal is looking to become a dynamic and engaging forum for comparative and interdisciplinary research and commentary.

It has been created and raised in an innovative, cooperative and participatory spirit, and will always continue its commitment to these values.

We hope you will enjoy the Global Health Law Journal, and that you can contribute to future issues.
